

# Assistive Devices, Home Renovation

## Rental of Assistive Devices

The following assistive devices can be included in your care plan to facilitate independent living.

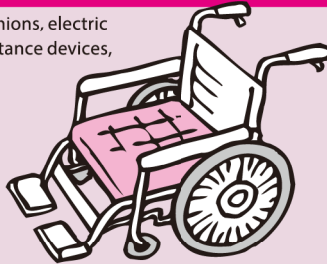

Note: People certified as Support Level 1 and 2 or Care Level 1 are not eligible to rent devices 1-8. However, they may be available under certain conditions.

### 1. Wheelchairs

### 2. Wheelchair accessories

(Cushions, electric assistance devices, etc.)

### 3. Care beds

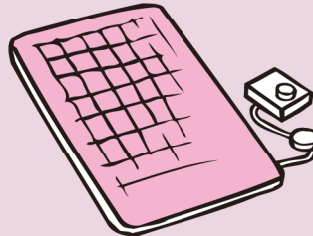

### 4. Care bed accessories

(Mattresses, side rails, etc.)

### 5. Bedsore prevention tools

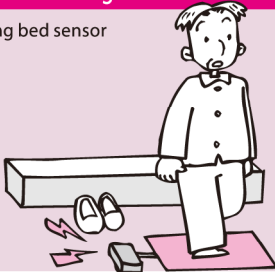

### 6. Position changing tools

(Including devices to assist in getting up)

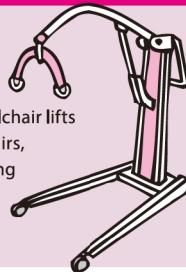

### 7. Anti-wandering motion sensors

(Including bed sensor alarms)

### 8. Mobile lifts

(Including wheelchair lifts and assistive chairs, excluding hoisting attachments)

### 9. Handrails

(Handrails not requiring installation work)

### 10. Slopes

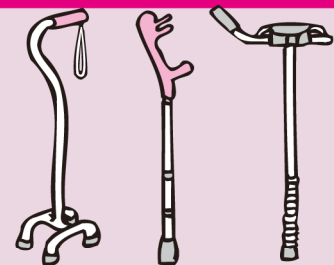

(Slopes not requiring installation work)

### 11. Walkers

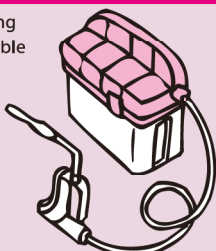

### 12. Canes

### 13. Automatic bodily waste processors

(Excluding replaceable parts)

From FY2015 the "Electric wheelchair for assistance" has been added under the "1. Wheelchairs" category.
