

What Should I Do in This Situation?

When I Want Someone to Take Care of My Child

Temporary Childcare

Temporary Childcare

Temporary childcare service from Monday to Friday and a holiday child care service on Sundays, national holidays, and year-end and New Year holidays.

Childcare for sick and recuperating children

This service is available for children who are sick or recovering from an illness and are unable to attend a daycare center.

Short-term Care

Short-stay Care for Children

As a general rule, it is possible to leave the child for a week or less with an overnight stay.

Short-term Care for Babies

A child up to 2 years old can be care taken for up to 1 month.

Local Childcare Support

Family Support Center

A system in which "those who want to have their children taken care of (requesting members)" and "those who want to take care of children (offering members)" help each other in transportation to and from day-care centers and kindergartens, or when parents are sick or need a break.
