中学生 課題英文

① The Restaurant with Many Orders(140 words)

Two hunters lost their way in a forest. They found a restaurant, Wildcat House. One hunter said, "I'm hungry. We can eat here." They read a message on the door. It said, "We have many orders. Please understand."

In the restaurant, the hunters saw many messages. The messages said, "Put your guns on the table," "Take off your clothes," and "Put salt and vinegar on your bodies"

"That's strange," one hunter said. "We're not making orders. Those messages are orders from this restaurant!" "That means Oh, no! We're the food!" Then the hunters saw two shiny eyes in two big keyholes of the door. "Those eyes are watching us!"

The hunters ran out of the restaurant. One hunter looked back and said, "Where is the restaurant? It's not there." They stood alone in the forest. The wind blew over them.

② I am a dog. (211 words)

I am a dog. I am loved by my master and his family. I am very happy. My master is fifty-one years old. I am eight years old. But in human years I am as old as my master.

My master's son goes to high school. He is very tall. He is taller than his parents.

He says to his parents, "I'm going to the juku. I'll be back about eight." But really he sometimes dates his girlfriend. What will his parents say if they find out? Poor parents!

My master's wife is as old as my master. But she looks much younger. She is very charming.

She feeds me, but she sometimes forgets. She is very busy with her social activities. She drives her car almost every day. She often invites her friends to the house. She is a busy woman. She is the busiest in the world.

The other day my master called all the family together. He showed them pictures of two dogs, and said, "We'll find a bride for our dog. Which is better, this one or that one?"

After a long discussion they decided. But I really wanted to say, "Why don't you ask me? I have a right to say something about this."

③ What are SDGs?(95words)

Do you know what the SDGs are?

They mean ‘Sustainable Development Goals’.

It is a universal goal that aims to realize a sustainable society where no one is left behind.

With the year 2030 as the achievement period, they consist of 17 goals and 169 targets.

"to eliminate(※to stop) poverty from the world"

"to create (※to make)a society without discrimination"

"to take good care of the environment"

The first thing I can do now is….

…….I am doing ○○○○.

In the future,

I will get a job related to SDGs, and I will be sure to protect our future.

※()はどちらでも可

④ Expo 2025 (137words)

The 2025 Osaka-Kansai Expo will be held.

The theme is "Designing Future Society for Our Lives"

For that purpose,

A laboratory for future societies will be built in Osaka.

To control the flow of people with AI and so on, so that we can spend time comfortably at the place.

A multilingual system that enables us to have conversations with people from all over the world.

A virtual space where many people can freely participate in.

Flying cars for smooth access to the place and so on.

The Expo will have the ability to transmit information as well as a centripetal force that attracts people and things.

Achieving the SDGs and beyond,

I want to experience the future of Osaka, Kansai, and also Japan, and the World in this Expo and connect them with our future.
