

Letter of Intent

between

Kuala Lumpur City Hall and the City of Osaka

Kuala Lumpur City Hall and the City of Osaka intends to expand their mutual partnership in the following areas.

1. Smart City
2. Waste Management
3. Disaster and Crisis Management

This collaboration is specifically referred to the activities and programmes which are within the ambit and jurisdiction of Kuala Lumpur City Hall and the City of Osaka.

This Letter of Intent does not create any legal relationship nor has any financial obligation on either party.

Following the signing of this Letter of Intent, both parties will pursue the development of specific exchange projects through ongoing dialogue and regular review.

This Letter of Intent shall remain in effect until July 17, 2028. Any revisions or extensions will be mutually agreed upon through further discussions.

This Letter of Intent shall be signed in English and Japanese, in duplicate, with each party retaining one original copy of each.

Signed and dated in Osaka, Japan on July 17, 2025.
