

# Now accepting phone dispatch collection applications for fluorescent tubes and bulbs from residential use

We are offering dispatch fluorescent light bulbs or tubes collection services from regional environmental centers, available by request via phone.

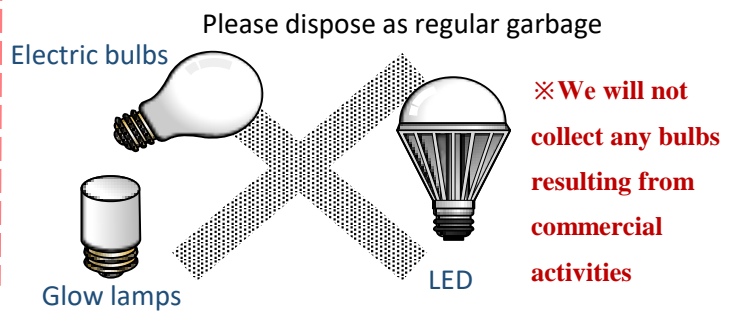

- Implementaiton **Beginning October 1, 2018 (Monday)**
- Collected Articles **Fluorescent light tubes disposed residentially (Excludes Electric Bulbs, Glow Lamps and LEDs)**

Bulbs with sizes classified as large waste (30cm diameter or 1m length tubes) are also collected

## Collected Articles

## Not Collected Articles

## Preparing Fluorescent tubes

To prevent breakage, please place fluorescent tubes in cardboard packing or wrap with newspapers; and dispose in transparent garbage bags containing no other wastes

## Inquiry hotlines

Operating Hours : Mon - Sat 8:30 - 17:00 (Excl. Year-end & New Year Holidays)

※Open during other Statutory Holidays.
