

The diagram shows two objects: a blue umbrella on the left and a yellow volleyball on the right. The umbrella is shown with its handle curved, and a dimension line indicates its length is 1 m. The volleyball is shown inside a dashed blue cube, with dimension lines indicating the cube's side lengths are 30 cm, 30 cm, and 30 cm.

This illustration shows three items: a grey trash bag tied with a black strap and a yellow handle; a white money bag with a black strap and a yellow handle, featuring a label that reads 'おケン' (Okēn, meaning 'Money' in a playful way); and a green money bag with a yellow strap and handle, also labeled 'おケン'. A thought bubble above the green bag contains a small green box with a red ribbon and a yellow tag, suggesting a gift or a specific type of money.
