

# Business with the City of Osaka

## Strengths of Osaka – The 3 E's

### Economy

- We are the heart of the Kansai Economic Region, which has a GRP comparable to the Netherlands.
- The Japanese Government designated Osaka as a special region for finance and asset management, which pertains to the global financial city vision.
- Tourists from all over the world come to visit, making our city even more vibrant.

### Environment

- Osaka was ranked as the 9th most livable city under the “Global Liveability Index.”
- There is robust concentration of creative, academic, and industrial energies.
- As a selected model city, we will strive to achieve carbon neutrality.

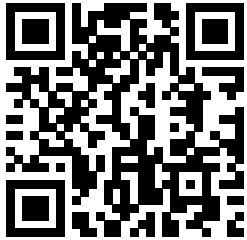

### Expo and beyond

- Our city will showcase the “People’s Living Lab” concept for the future.
- Steadfast efforts will be made to support meaningful business matchings.
- Maximizing the Expo’s impact to further propel the growth of Osaka.
