

Memorandum of Understanding for the Partnership of Friendship and Cooperation
between
the City of Osaka and the General Directorate of Export Promotion (ProChile)

The City of Osaka and the General Directorate of Export Promotion agree to build a strong partnership based on the shared pursuit of knowledge and innovation to address common challenges faced by both parties.

Accordingly, based on friendship and cooperation, both parties shall commit to the following objectives:

1. Promote economic exchanges in mutual areas of interest, focusing on sectors such as:
 - Technology and innovation sector
 - Agrifood.
 - Energy and sustainability
 - Tourism
2. Foster exchanges and collaborations between the startup ecosystems of each party.

Following the signing of this Memorandum of Understanding, both parties will pursue the development of specific exchange projects through ongoing dialogue and regular review.

This Memorandum of Understanding will come into force once the administrative procedures of both parties are completed and will remain in force until October 7, 2028. Any revisions or extensions will be mutually agreed upon through further discussions.

This document in Japanese, Spanish, and English shall be signed in duplicate, with each party retaining one original copy of each. All texts are equal in authenticity, the English version shall prevail in case of any divergence of interpretation.

Signed and dated in Osaka: October 7, 2025
