

Preparing for Emergencies

If you have any questions, go to these websites.

Osaka City Office of Emergency Management

TEL : 06-6208-7388 FAX : 06-6202-3776
<https://www.city.osaka.lg.jp/kikikanrishitsu/>

This website provides information on routine preparedness for earthquakes, high winds/flooding, and shelter locations; it also provides crucial information on damage and emergency responses.

Emergency maps for each ward are also posted.

Osaka Disaster Prevention App

In addition to checking rain cloud radar and creating a checklist of stockpiles, in the event of a disaster, users can check information on the opening of evacuation centers, routes to evacuation centers, etc., and receive information from the Japan Meteorological Agency via push notifications.

Osaka Municipal Fire Department

<https://www.city.osaka.lg.jp/shobo/>

This website offers information on emergency response in case of an earthquake or fire as well as first-aid information.

Pages for kids, the Kids' Room, are also available.

Ward Offices

Each ward is undertaking specific initiatives such as making emergency maps for each region and conducting seminars. Please refer to the websites and other notifications for each ward.

Osaka City Public Works Bureau

(Precipitation information)

<http://www.ame.city.osaka.lg.jp/pweb/>

Provides information on rainfall amounts in the city.

Osaka Disaster Prevention Net

<https://www.osaka-bousai.net/osaka/>

This website provides a wide range of emergency preparedness information for events like earthquakes, tsunamis and typhoons, weather warnings and alerts, prefectural evacuation advisories and directives, and links to utilities service information.

Also, if you register your mobile email address through the Emergency Information Email, information on weather, earthquakes, tsunamis, etc. will be e-mailed to you.

How to register or unregister:

If you send a blank email to

"touroku@osaka-bousai.net" you will receive an email for registration / cancellation. If your phone has a code reader, scan the QR code and send an email.

Fire and Disaster Management Agency

<https://www.fdma.go.jp/>
