Flood Hazard Map for Nishi Ward

Nishi Ward, inundation events due to a storm surge and inland flooding and tsunami inundation events due to a massive Nankai Trough earthquake are assumed to occur

Is the area where you live prone to inundation? Where is the nearest safe evacuation shelter?

Are there any roads or underpasses that could be covered with water on the way to the evacuation shelter?

check in advance where safe evacuation shelters (disaster shelters, etc.) are located and which evacuation route to take to ensure safe evacuation in the event of an emergency. of a large-scale inundation, disaster shelters are expected to be crowded. If evacuation shelters are located far from your house, you should expect that it will take time for the elderly to

foreover, since it is dangerous to move out of your house during stormy weather, remaining in your house can be an alternative to evacuation as long as you have made appropriate disaste

Evacuation Image When evacuating to a tsunami evacuation building, evacuate only after checking that it is located on a high place that will not be inundated. ↑ 3F 7.5m

Have your stockpile ready

You may not be able to shop normally for several days after a natural disaster. Have peace of mind by adequately stocking basic necessities for yourself and your family on a day-to-day basis.

▶ Stock up on food you often eat with long expiry dates; buy more when you □ Daily stocking consume them (rolling stock method)

☐ Food for at least 7 days ► Alpha rice that can be eaten by adding water, canned food, hardtack, instant and retort pouch food, dietary supplements, snacks, condiments, soup, etc.

☐ Drinking water for at least 7 days ► 3 liters a day per adult

▶ Temporary toilet, waste storage containers, toilet bags, toilet paper ☐ Toilet supplies

► Portable gas stove, gas canisters, solid fuel \square Fuel ☐ Blanket, sleeping bag ☐ Plastic wrap for food ☐ Plastic tank

Since it's food you always eat, it will give you energy in an

Rolling stock method

An economical method in which food

is consumed before they expire

3-2-16 Kitahorie *As of March 2021. (Please see the website for an updated list of designated hazard areas.) *For the evacuation time limit, please see the "List of Registered Tsunami Evacuation Buildings" on Osaka City's website, the Osaka City Map Information Site, or your local noticeboard.
