

# Flood Hazard Map for Suminoe Ward

In Suminoe Ward, inundation events due to flooding of the Yamato River, a storm surge, and inland flooding and tsunami inundation events due to a Tonankai earthquake, a Nankai earthquake, and a massive Nankai Trough earthquake are assumed to occur.

Is the area where you live prone to inundation?

Where is the nearest safe evacuation shelter?

Are there any roads or underpasses that could be covered with water on the way to the evacuation shelter?

Using this map, check in advance where safe evacuation shelters (disaster shelters, etc.) are located and which evacuation route to take to ensure safe evacuation in the event of an emergency.

In the event of a large-scale inundation, disaster shelters are expected to be crowded. If evacuation shelters are located far from your house, you should expect that it will take time for the elderly to evacuate. It is also important to secure more than one temporary shelter other than predesignated evacuation centers, such as securing condominium or other high buildings in the neighborhood by negotiating with owners in advance.

Moreover, since it is dangerous to move out of your house during stormy weather, remaining in your house can be an alternative to evacuation as long as you have made appropriate disaster preparations at home.

Designated disaster evacuation site (Opens according to the disaster situation)		
1 Suminoe Health and Welfare Center (Branch hall)	3-5-16 Hamaguchi-higashigai	3-1 Kohamanishi
2 Suminoe Hall	3-1-20 Minamikagaya	1-11-25 Anyu

\*This map shows hazard areas for flooding (river flooding, high tide, inland flooding, tsunami). It does not list designated safety areas and temporary safety areas. Please use this hazard map to find safe evacuation areas in the event of flooding.

\*Flood-prone areas have underground shopping and facilities for the infirm. Please see the Regional Disaster Management Plan for more information.

(The Regional Disaster Management Plan is available at your closest ward office, City Hall, and on Osaka City's website.)

**Tsunami evacuation bldg.**  
(Accepts evacuees if an evacuation information is issued\*)
