

Special benefits for Single-parent households

We will provide benefits to support
single-parent households !

People eligible for the benefit

Any one from to

A person who has received child rearing allowance for June 2020.

Those who have stopped receiving child support allowances * for June 2020. and is receiving public pension * 1

A person whose home finances has drastically changed because of the coronavirus and has the same income standard as a person who is receiving child rearing allowance.

1 Survivor pension, disability pension, old age pension, work accident pension, survivor compensation, etc.

2 Those who have approved to receive child allowances are not the only ones eligible. If you had applied for child rearing allowance, even though payment of the full or partial allowance for the month of June 2020 has been stopped, you are still eligible.

(1) Basic benefits 50,000 yen per household, 30,000 yen per child from the second child

(2) Additional benefits 50,000 yen per household

If you belong to either or , for the people whose incomes have decreased due to a drastic change in household finances due to the new coronavirus infection, you are eligible to receive additional benefits aside from the benefit above.

Households receiving welfare are not eligible for additional benefits

Instructions on how to proceed are on the back page.
Please be sure to confirm it.
