## Sunset and night view

The colors of the light at dusk and at night are different from those during the daytime. In Konohana, you can enjoy the sun setting over Osaka Bay and the beautiful night view from various points.

Sunset over Osaka Bay from the banks of the Yodo River

Here you can enjoy watching the sun set over the expansive Osaka Bay from the banks of the Yodo River. You can spend a relaxing time while taking a leisurely stroll or sitting by the river.

View of Tempozan from Sakurajima

The entire area around Universal City Port in Sakurajima is illuminated, creating a wonderful atmosphere. Why not sit on a bench and enjoy the view of Tempozan lit up at night?

View of Osaka Bay from New Sunset Hill

Admire the night view of Osaka Bay from this quiet hill in Maishima. The 360-degree panoramic night view, which extends from Tempozan to the Kobe area, is breathtaking.
