

Discussion Topic

Teachers are expected to nurture children's ability to think, make judgments, and express themselves in new situations by utilizing their knowledge and skills, and to foster a proactive attitude toward learning, an attitude of respect for diversity, and the ability to collaborate and care for others by making the most of their own strengths.

What specific things will you do in your English classes to help students develop these abilities?

Please follow the steps :

- Step 1 : Think for two minutes about what you are going to say.**
- Step 2 : Present your ideas to the other candidates.**
- Step 3 : Discuss ideas with other candidates.**
