In elementary school, one of the goals is for students to be able to transcribe simple words and basic expressions, while in junior high school, one of the goals is for students to acquire the ability to write in accurate English about what they are interested in.

Based on these considerations, as a junior high school teacher, what are the important things you can do to improve your students' writing abilities?

**Please follow the steps below:**

- Step 1 : Think for two minutes about what you are going to say.**
- Step 2 : Present your idea to the other candidates for about one minute.**
- Step 3 : Discuss ideas with other candidates.**
