

Disaster Reduction and Crime Prevention

Watching over kids on school routes

Watch over kids at dangerous spots to ensure their safety on their way to/from school.

Safety and security ensured by community members!

In addition...

- E.g.
- Community disaster drill
- Inspection and operation of security cameras and outdoor security lights

Children and Adolescents

Children in a community nurtured by residents in the community

Parenting Salon

Provide opportunities for interaction encouraging discussion of parenting problems, concerns, etc. in a casual atmosphere

In addition...

- E.g.
- Summer festival and *bon-odori* dance event
- Rice-cake-making event

Welfare and Health

Lifelong health and soundness in this ward

Meal deliveries

Watch over senior citizens while delivering meals to their homes

In addition...

- E.g.
- Communication café
- Events expressing respect for senior citizens

Environment and Beautification

Clean and comfortable community environment

Cleanup campaign

Hold cleanup campaigns on a regular basis to make the ward even cleaner and more comfortable

In addition...

- E.g.
- Awareness program to stop illegal dumping
- Flower-planting

Culture and Sports

Community features to be maintained on a long-term basis

Community sports meet

Organize sports meet events in various areas for more active interaction among residents through sports

In addition...

- E.g.
- Lifelong learning
- Permission for the use of elementary & junior high school gymnasiums

Ties Formed through CACs!!

—Vigorous, fun communities making everyone feel like strolling around—

Community Action Councils

What are Community Action Councils (CACs)?

Working for community development to ensure that everyone can live safely, each CAC has been set up corresponding to an elementary school district, in principle. A CAC comprises many players from a wide variety of fields, including resident organizations, volunteer groups, NPOs, and companies.

The CACs engage in a wide variety of activities in five areas.
