This detailed map shows the complex network of canals, piers, and urban areas around the Osaka Port. Key features include the Nakanoshima Canal, the Nakanoshima Pier, the Nakanoshima Ferry Terminal, and various industrial and residential districts. The map is labeled with numerous place names in Japanese, such as '尼崎市' (Nishio City), '舞洲' (Mousa), '内港航路' (Inner Harbor Route), '南港外港' (South Port Outer Harbor), and '北港' (North Port). Two red circles, labeled 1 and 2, are positioned near the bottom left, pointing towards the Nakanoshima area.
