Create connections among neighbors! Neighborhood Associations Offer Opportunity

"I wish to interact with my peers who are also raising children."
 "I wonder if my child will be okay when going and coming back from school?"
 "I want to help keep our town clean." "If a disaster occurs, where should I escape to?"
 "I wonder where community events are taking place?" "...
 Throughout your daily lifestyle, you start to think about a variety of things.
 In these type of moments, you can turn to **your neighborhood association**.
 Would you like to work with us in building a well-connected town where neighbors can readily rescue and support one another?

Child-rearing Salon

Meal Service for
Senior Citizens

Healthy Workout

What is the Community Activity Council?

The Community Activity Council is an advisory body that comprises community-based neighborhood associations, and various other individuals and groups, such as companies and NPOs.
 Organizations are collaborating with each other to address common challenges and to bolster vibrancy in communities.

For more information,
